is offered by the manufac-
turers of Dr. Sage's Catarrh
Remedy, for a case of Ca-
tarach in the Head, which
they cannot cure.

SYMPTOMS OF CATARRH.—Dull, heavy
headache, obstruction of the nasal passages,
discharges falling from the head into the throat,
sometimes profuse, watery, and acrid, at others,
thick, tenacious mucus, purulent, black, and
putrid, with a strong恶臭. There is also a ringing
in the ears, deafness, hacking or
coughing to clear the throat, expectoration of
offensive matter, together with scabs from ul-
cers in the nose, which is often very painful and
twinges. The breath is offensive, smell and
taste are impaired, there is a sensation of dim-
ness, with mental depression, a hacking cough
and general debility. One or two of these
symptoms are likely to be present in
any one case. Thousands of cases annually,
without manifesting half of the above symptoms,
result in consumption and end in the
grave. No disease is so common, more destruc-
tive and dangerous, or less understood by phys-
icians.

By its mild, soothing and healing properties,
Dr. Sage's Catarrh Remedy cures the worst
cases of Catarrh, "Cold in the Head,"
Coryza, and Catarrhal Headache.

Sold by druggists everywhere; 55 cents.

"Untold Agony from Catarrh."

Prof. W. HAUSNER, the famous mesmerist,
of Ithaca, N. Y., writes: "Some ten years ago I
suffered untold agony from chronic catarrh, which
I could not get rid of. I consulted every physician
in the city, and I lost the use of my voice, and
such a bad tooth, that every day, took to assume,
my voice would be no better. I could
barely speak above a whisper, and could not
swallow, and was compelled to give up my trade, and
almost starved to death. By the use of Dr. Sage's
Catarrh Remedy, in three months, I was a well
man, and the cure has been permanent."

"Constantly Hawking and Spitting."

THOMAS J. BRUNTON, Esq., 282 Pine Street,
St. Louis, Mo., writes: "I was a constant sufferer
from catarrh for three years. At times I could
hardly breathe, but was constantly hawking
and spitting, and could not swallow, and could
not breath through the nostrils. I thought
nothing could be done for me. Luckily, I was
advised to try Dr. Sage's Catarrh Remedy, and
I am now a well man. I have written to Dr. Sage
and sent him a few cans of catarrh now manufactured,
and one has only to give it a fair trial to
experience astounding results, and a permanent
cure."

A complete Treatise on Catarrh, giving val-
uable hints to those who desire more information
of importance, will be mailed, post-paid to any
address, on receipt of a two-cent postage stamp,
